The Kerala High Court notifies the Electronic Video Linkage Rules for Courts (KERALA), 2021

The Kerala Judiciary extensively used video conferencing solutions to conduct court proceedings during the pandemic to minimise footfalls in courtrooms. The Courts in the Kerala district judiciary in our State had conducted 1,59,153 court proceedings through video conferencing from 22-03-2020 to 31.08.2021. However, there was no specific legislation regulating the use of electronic video linkage or video conferencing for the conduct of court proceedings till 25.08.2021.

The courts in the State are making an effort to expedite proceedings with the help of Information and Communication Technology (ICT) tools. Video conferencing is being resorted to for the production of accused, hearing of bail applications, interlocutory applications, examination of witnesses, final hearings etc. This makes it imperative that procedures in the form of Rules are laid down for video conferencing in court proceedings.

Hence, the Rules "THE ELECTRONIC VIDEO LINKAGE RULES FOR COURTS (Kerala), 2021" has been framed and notified by the High Court of Kerala under Article 225 and 227 of the Constitution of India for the use of video conferencing in court proceedings for courts in the State, which came into force on 25th August 2021. Copy of said rules and notification is available on the High Court website.

e-Committee website in Malayalam

e-Committee, Supreme Court of India has made available the website in 13 different languages, including the regional language Malayalam. Now the people of Kerala can bear the fruits of eCourts services in the Malayalam language. The translation of the website's contents was done by the translators of the Supreme Court Cell of the High Court and Master Trainers

(Judicial Officers), supported by the Technical Teams of the High Court of Kerala & the website team of the e-Committee, Supreme Court of India.

Rajasthan's SIROHI District Successfully migrates CIS servers on Ubuntu 20.04

To upgrade CIS Servers on the latest Ubuntu Platform, the Hon'ble e-Committee Supreme Court of India decided to migrate Servers on the latest Ubuntu 20.04. Rajasthan and Orissa were chosen as Pilots for the implementation and replicate the same across the country.

Sirohi Judgeship in Rajasthan was identified as Pilot District. The technical team of Rajasthan completed this project and successfully migrated and upgraded the Servers of the Sirohi District Court Complex and all other Taluka Court Complexes of Judgeship to Ubuntu 20.04. All these upgraded servers have been functioning seamlessly on live instances for the last month.

Thus, Sirohi Judgeship has become the first district in the entire country to successfully upgrade CIS servers to Ubuntu 20.04 and perform live testing. This exercise has paved the way for OS up-gradation of CIS servers across India.
